Denison's grand dam is "**Dam of the Century**" Ppperuvian **Misty Maiden** and his Dam is 7-time Champion, Peruvian Precious Fawn. Denison's 3/4ths-related sister (Misty Maiden X Bruxo) was the 2008 Color Champion at AAA Futurity and AOBA Nationals! Some of Denison's famous herdsire relatives from the Misty Maiden bloodline include, **SCA Peruvian Desert Sun**, **SCA Peruvian Magnum**, and **SCA Peruvian Cobra**- all multiple color Champion fawns. Denison himself has always been show-worthy, although never was shown.

We've nicknamed Denison "Lord of the Rings"....in keeping with his Misty heritage, he maintains somewhat of a regal presence as he watches over his "kingdom". Breed Denison across your herd, and achieve that infamous Misty Maiden style fleece that has been dominating in the ring for years.
