## Peruvian MMG Isabelle

view Histogram | ARI # 31470919

### Vital Statistics

<b>Sex:</b> Female	<b>Color:</b> Medium Fawn
<b>Status:</b> Maiden	<b>Dam:</b> Misty Maiden's Peruvian Angel
<b>Birthdate:</b> 9/16/2008	<b>Sire:</b> Sunny Mesa's Tuscan Gold
<b>Heritage:</b> Full Peruvian Huacaya	

*Isabelle always greets us with a kiss, and always has her nose in our faces, especially while we're bending over raking the beans. She is the one that all the little male crias gravitate to...and she is always compliant with their desire to practice "breeding", even when they are only a month old...and even when they have it backwards!*

*Isabelle's fleece is as silky as it gets! The luster of her fleece, long staple length, full coverage and a cute button nose make her a beauty to watch prance around the pasture. But this is no surprise given her genetics. She's a **grand-daughter of "Dam of the Century" Misty Maiden**. Her sire, full Peruvian Tuscan Gold, has earned multiple championships and every specialty ribbon there is (Judge's Choice, Best Brightness, Best Crimp, etc).*
