Maxina is a beautiful brown, full Peruvian 5x Champion, including a Reserve Championship at AOBA Nationals. She consistently produces the densest crias on our farm, in a wide range of colors (black, brown, fawn, and beige). You need to see the fleece of her son Bonsai, our prized herdsire to see dense and zipper crimp combination!

Her dam, Applause is a 1995 Peruvian import and a very consistent producer of quality crias. Her sire, Iceman is also a Full Peruvian import who won 4th place at the 2003 AOBA Get-of-Sire class, beaten only by Caligula, El Nino, and Legacy-All Full Accoyo whites.

Maxina is usually the first to find us at feed time...and will follow us everywhere.
