*So much like her mom, this Misty Maiden granddaughter is all-around outstanding. We are so impressed every time we look at her fleece. Incredible tight crimp, fine, dense, and a long staple length! And beautiful confirmation on top of it all. Her dam, our Peruvian Precious Fawn, is the first and foremost daughter of "Dam of the Century" Misty Maiden and a 7x Champion. Had Pearl Gurl been shown, we are convinced she would have been a multi-champion as well. Her sire, Valente, is a 6x Champion Apollo son, out of the #1 maternal line at Stachowski Alpacas. Although Pearl tends to be a little bit timid, she has a sweet disposition and is very cooperative with handling.*
