Sweet Emotion, an extremely fitting name for one of our sweetest and most cooperative gals, is a color Champion fawn female, who is the only full sibling to 10 time Champion Peruvian Zephyrus! Sweet has super fine (micron count at first shearing was 16) fleece and coverage, which she has passed onto her offspring. We own her three sons, Lakota, Prius and Sweet Baby James. You should feel how soft and silky their fleeces are!

Sweet Emotion's full brother, Zephyrus is not offered for outside breedings, and very few were sold before closed. Even with so few offspring on the ground, Zeph babies have dominated the ring and won him the '2005 Reserve Herdsire of the Year' award. Her dam, Camilla is an import from the Alianza Plantel region in Peru and her awards include two 1st place ribbons from AOBA and National fleece shows at 6 years old! This maternal bloodline is famous for it's Champions. Her sire, Royal Fawn, a Full Accoyo Fawn import who's offspring continue to dominate in the ring, year after year.
